Training of Hiroshima newspaper

I return you someday in Heaven

I'm belong to Kurehiko Ando junior high school. Our school went to Hiroshima to learn about war, why did we go to Hiroshima? Because atom bomb fell here place. And, I listen to lecture from met with an accident. He had passion speaking for one hour thirty minutes. I hear the lecture and I think war leave only pain. I think that he was very sad.

One day, A girl said, "I want something cold to drink." So, I give her water. She looked very glad. Then she said on she's deathbed. "I return you somebody in Heaven."

Present Hiroshima

A city is
evolving.

A nuclear power

- Especially, Russia and America have a lot of nuclear.
- Nuclear powers is more than 100 nuclear powers.
- Many places shoot nuclear.
